Weapon Mastery Feats

Battleaxe Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Disarming Assault. When you inflict damage with a battleaxe (damage from Graze does not count), you may choose to inflict half as much damage and remove one item being held by the target you struck. If you have a free hand you may grab the disarmed object with it, otherwise you may fling the object to any point within 20 feet of you. If you fling the object to another creature you may apply the same hit roll and damage you inflicted towards the initial target of the attack, the damage type may change based on what you are flinging and your DM's discretion.

Sweeping Strikes. Battleaxes you wield gain the Cleave Weapon Mastery. You can always use the Weapon Mastery of any Battleaxes you wield.

By Pass Shield. Attacks made by you utilizing a Battleaxe ignore the bonus AC from any shields.

Blowgun Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase any Ability score by 1, to a maximum of 20.

Trained Lungs. You ignore the loading property for blowguns you wield. The range for blowguns you wield increases to (50/200ft).

Venomous Spit. Any needles fired from blowguns you wield deal an additional 1d12 Poison damage. If the creature effected by this damage is immune to Poison this instead deals 1d8 Psychic damage

Paralytic Agent. Your proficiency bonus number of times per Long Rest, you may have a needle you fired, that dealt poison damage to a creature cause that creature to make a Constitution Saving throw (DC=Any Ability Modifier+Proficiency Bonus+8). On a failure that creature is paralyzed until your next turn.

Club Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Quality Clubbing. Clubs you wield gain the Finesse property, and the Topple Weapon Mastery. You can always use the weapon Mastery of any Club you wield.

Distraction Cudgel. When you make an attack using a club against a target that is within 5 feet of an ally, change the damage of the club from 1d4 to 1d12.

Staggering Impact. Creatures that are dealt damage by clubs you wield, are not able to make attacks of opportunity until their next turn.

Dagger Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Sneaky Stabbing. When you make an attack against a target you are hidden from using a dagger you may add 2d6 extra damage of whatever type of damage the dagger deals. If you have the Cunning Strike feature you may use these 2d6 for effects from that feature.

Non-cumbersome. While only wielding daggers any Stealth rolls you make have advantage.

Precise Technique. Daggers you wield increase their thrown range to (30/90) and gain the Sap Weapon Mastery. You may use the Weapon Mastery of any Dagger you wield.

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Dart Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Dexterity, or Constitution score by 1, to a maximum of 20.

Consistent Spread. When you use darts to make an attack against the same creature, each attack that inflicts damage after the first gains an additional 1d4 piercing damage. So the first dart will deal 1d4 the second will deal 2d4 the third 3d4 and so on. The count is reset at the end of your turn.

Circle It. When you miss an attack using a dart, you may move 5 feet without provoking opportunity attacks, Then the next attack you make using a dart gains advantage.

Master of the Throw. Darts you wield gain the light property and the Nick Weapon Mastery. You may use the Weapon Mastery of any darts you wield.

Flail Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Obtuse Angle. When you make an attack with a Flail you ignore either any AC granted to the target of your attack by a shield, 2 AC, or the AC granted by a reaction.

Fulcrum of Force. Your proficiency number of times per short rest you may declare a Full Force Swing before you roll to make one attack with a Flail. When you do so any damage delivered with that attack has all of its damage dice maximized, however if you miss this attack that damage is instead delivered to you instead.

Ball and Chain. Flails you wield change their damage die to 1d12 and gain the Graze Weapon Mastery. You may use the Weapon Mastery of any Flail you wield.

Glaive Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Whirling Assault. When you roll an attack roll with a glaive against a creature within your reach, you may apply that attack roll to a second creature within your reach attacking them as well. Roll the damage once and apply it to both creatures for this.

Reach and Reposition. Once per turn, as part of an attack action using a glaive, you may move 5ft without provoking opportunity attacks or move a creature you've struck with your glaive 5ft.

Distracting Rings. Any creature damaged by a glaive attack that you make suffers a -2 penalty to attack rolls until the end of your next turn.

Greataxe Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Axe Aficionado. Greataxes you wield gain the Graze Weapon Mastery. You can always use the Weapon Mastery of any Greataxe you wield.

Warding Swings. When you take the attack action using a Greataxe your AC is increased by your Proficiency Bonus until the start of your next turn.

Skull Splitter. When you critically hit with a Greataxe you Triple the damage dice instead of doubling them. Attacks you make using a Greataxe score a Critical hit on 1 lower.

Greatclub Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Wooden Whallop. Greatclubs you wield deal an additional 1d8 bludgeoning damage.

Technical Teak. Greatclubs you wield gain the Vex and Sap Weapon Mastery. You may use all the Weapon Masteries of Greatclubs you wield.

Tested Timber. While you wield a Greatclub your Armor Class increases by 1.

Halberd Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Halberdier. Halberds you wield gain the Push Weapon Mastery. You can always use the Weapon Mastery of any Halberd you wield.

Multi-Faceted. Attacks you make using a Halberd may change all their damage to be bludgeoning, slashing, or piercing.

Anti-Cavalery. When dealing damage with a Halberd you may maximize one damage die if your target is a mount or is mounted. You have advantage on athletic checks made to dismount creatures while wielding a halberd.

Handaxe Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Ricochet & Return. When you make a thrown attack using a Handaxe, to a target within 20ft of you, you may apply the hit roll and damage roll to 2 targets within 20ft. All Handaxes you throw bounce back to your hand after being thrown.

Hindering. Handaxes you wield gain the Slow Weapon Mastery. You can always use the Weapon Mastery of any Handaxes you wield.

Secure Ascension. While you are wielding at least 2 Handaxes, you gain a climb speed equal to your speed.

Hand Crossbow Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Dexterity or Constitution score by 1, to a maximum of 20.

Quick Aim. Hand Crossbows you wield gain the Nick Weapon Mastery. You can always use the Weapon Mastery of any Hand Crossbow you wield.

Quick Draw. As part of rolling Initiative you may make an attack using a Hand Crossbow.

Shoot and Tumble. When you make an attack with a Hand Crossbow you may move 5 feet without provoking attacks of opportunity. This movement may be taken either before resolving the attack or after.

Heavy Crossbow Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Dexterity or Constitution score by 1, to a maximum of 20.

Weighty Shots. Heavy Crossbows you wield gain the Slow Weapon Mastery and increase their range to (150/600). You can always use the Weapon Mastery of any Halberd you wield.

Armor Piercing. Attacks you make with Heavy Crossbows ignore 2 AC from the target if that AC is provided by natural armor or worn armor.

Portable Ballista. Heavy Crossbows you wield change their damage dice to 1d12. Heavy Crossbows you wield deal double damage to objects and structures.

Lance Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Constitution, or Dexterity score by 1, to a maximum of 20.

Horseless Technique. You are always considered mounted for the features of a Lance that require being mounted.

Piercing Momentum. When you make an attack with a Lance you may strike up to one additional target that is within 5 feet of your first target. You roll once for the attack and damage for targeting these two creatures.

Destructive Delivery. Your proficiency number of times per Long Rest, Once per turn, and you must move at least 15 feet before performing this attack. You may, shatter your lance into your enemy delivering your Strength Score as additional damage of the type your Lance dealt, this destroys your Lance.

Light Crossbow Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase any Ability score by 1, to a maximum of 20.

Better Handling. Light crossbows you wield lose the loading and two-handed properties. You can always use the Weapon Mastery of any Light Crossbows you wield.

Added Pressure. When you use your Action for any action besides the Attack Action you may, as a bonus action make an attack with a light crossbow you are wielding.

Tinkering Touch. You may spend 1 hour to modify a Light Crossbow to enhance it. Light Crossbows enhanced in this way grant +1 AC and have increased range (100/400ft).

Light Hammer Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Trained Swings. Light Hammers you wield gain the topple weapon Mastery and increase their damage die from 1d4 to 1d6. You can always use the Weapon Mastery of any Light Hammer you wield.

Beat to Death. Attacks you make utilizing Light Hammers that target a prone creature inflict an additional 1d12 damage. Any creature inflicted damage in this way must spend all their movement to stand up instead of half.

Erect Fortification. While wielding a Light Hammer as an Action you may, utilizing your own materials and the surrounding terrain, create a 5ft by 5ft square of $\frac{3}{4}$ cover.

Longbow Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Constitution, or Dexterity score by 1, to a maximum of 20.

Compound Strength. You may add your Strength Modifier to damage rolls for Longbows you wield. This is in addition to any other modifiers you may normally add.

Called Shots. You may apply the effects of the Slow, Sap, Topple, or Push Weapon Mastery to attacks you make using a Longbow.

Prepared Position. When you start your turn in the same spot you started your last turn in, you gain advantage on your first attack with a Longbow that turn.

Longsword Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Hand and a Half. The damage dice for Longswords you wield is changed to 1d10(1d12versatile). Longswords you wield gain the Finesse Property and the Vex weapon Mastery. You can always use the weapon Mastery of any Longsword you wield.

Point and Edge. Longswords you wield may inflict Piercing or Slashing damage.

Sword of the Body. Whenever you take the attack Action while wielding a Longsword you may immediately before making your first Longsword attack make a kick attack, this attack counts as a Longsword attack for Proficiency, Weapon Mastery and Weapon properties but only inflicts damage equal to your Ability modifier being used for the attack.

Mace Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Dazing Strike. Maces you wield gain the Slow Weapon Mastery. You can always use the Weapon Mastery of any Mace you wield.

Armor Denting. When you take the attack action using a Mace if all of your attacks from that attack action target the same creature, after that attack action is finished regardless of damage inflicted that creatures Armor Class is reduced by 2.

Ball on a Stick. Your proficiency number of times per Short Rest, you may add your Strength modifier twice instead of just once to the damage of an attack made using a Mace you wield.

Maul Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Crushing. Attacks you make using a Maul ignore resistance to bludgeoning damage.

Mauler. Mauls you wield gain the Push Weapon Mastery. You can always use the Weapon Mastery of any Maul you wield.

Pulverize. Your Proficiency number of times per Short Rest you may replace one of your Maul attacks with a Pulverize attack. A Pulverize attack acts as a normal Maul attack except in addition, if you deal damage you also reduce the targets AC by your Proficiency bonus.

Morningstar Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Armor Ripping. When you deal damage with a Morningstar you are wielding, you may reduce the Armor Class of the creature dealt damage by 1.

Long Hafted. You may spend 1 hour to customize any Morningstar to grant it Versatile(1d12). Customized Morningstars you wield gain the Reach property, and the Slow Weapon Mastery. You may use the Mastery property of any Morningstars you wield.

Exploit Sundering. You deal an additional point of piercing damage, with Morningstars, to any creature per point of Armor Class they have lost from abilities that cause Armor Class loss.

Musket Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Solid Construction. Any musket you wield may be used as a Greatclub with all the same properties.

Packed Powder. You may expend an attack to pack your musket more efficiently so that when it next fires it deals an additional 1d12 piercing damage. This efficient packing gets jostled after some time, so it only lasts 1 minute. Packing a musket in this manner is also quite the noisy endeavor.

Mild Rifling. The Range of Muskets you wield change to (100/400). Muskets you wield gain the Graze Weapon Mastery. You may use all Weapon Masteries of Muskets you wield.

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Pike Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase Strength or Constitution score by 1, to a maximum of 20.

Damaging Distance. When you deal damage with a Pike you are wielding, increase that damage by your proficiency bonus for every 5 feet between you and the target you are dealing damage to.

Pole Vaulting. Your Proficiency number of times per turn while wielding a Pike you may expend 10 feet of movement to traverse 20 feet without incurring the negatives of any ground hazards such as difficult terrain or thorns.

The Greatest Invention. While you wield a Pike your reach is further increased by 5 feet. Pikes you wield gain the Slow Weapon Mastery. You may use the Weapon Mastery of any Pike you wield.

Pistol Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Dexterity, or Constitution score by 1, to a maximum of 20.

Gun-Fu. Pistols you wield gain the Light property, and the Sap Weapon Mastery. You can always use the weapon Mastery of any Pistol you wield.

Close Quarters. Being within 5 feet of an enemy doesn't impose disadvantage on your attack rolls with Pistols.

Improvised Reload. During a Short Rest you may create your Proficiency Bonus number of bullets times 10 for a Pistol. You may spend 100 gold or the body of a CR 5 or higher creature to have any attacks using the bullets crafted deal an additional 2 points of damage.

Quarterstaff Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase any Ability score by 1, to a maximum of 20.

Ancient Technique. Quarterstaffs you wield gain the Finesse and Reach property and the Push Weapon Mastery. You can always use the Weapon Mastery of any Quarterstaff you wield.

Vaulting Assault. If you move at least 10ft before making an attack with a Quarterstaff, you may as part of that attack make a leaping kick. This leaping kick has all the properties of a normal Quarterstaff attack except it only deals an amount of damage equal to the ability modifier used for the attack.

Assisted Traversal. While you are wielding a Quarterstaff, you may ignore the increased movement cost of difficult terrain. You may also reduce any falling damage you would receive by 1d6.

Rapier Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Main Gauche. While wielding a Rapier in one hand and a dagger in the other, the dagger provides you with +2 AC.

Practiced Technique. Rapier you wield gain the Light property, and the Graze weapon Mastery. You can always use the Weapon Mastery of any Rapier you wield.

Successive Piercing. The Second attack you make with a Rapier on your turn is applied twice. Meaning that when you roll to hit for the second attack apply that hit roll 2 times and inflict the damage 2 times if the hit roll connects.

Scimitar Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Whirling Dervish. While wielding at least two scimitars, any attack with a scimitar that inflicts damage also inflict your attacking Ability Score of slashing damage to all creatures within your reach beside your initial target.

Inescapable. Scimitars you wield gain the Slow Weapon Mastery. You can always use the Weapon Mastery of any Scimitar you wield.

Two Hands!. While wielding at least two scimitars, each attack made with a scimitar grants you an attack from the Light property of your off-hand scimitar. These attacks cannot generate further attacks. All attacks generated from this can be made as part of the same attack action due to the Nick Weapon Mastery. You may add your appropriate ability modifier to the damage rolls for all off hand attacks utilizing scimitars.

Shield Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase any Ability score by 1, to a maximum of 20.

The Best Defense. Shields you wield become weapons in addition to being shields. Shields you wield gain the Thrown(20/60) property and the Topple Weapon Mastery. Shields you wield are melee weapons that deal 1d4 bludgeoning damage. You can always use the Weapon Mastery of any Shield you wield.

Bashing. Whenever you take the attack action you may as part of the same action make one attack with a shield you are wielding in addition to any other attacks you would make with your attack action.

Portable Cover. While you are wielding a shield, you may as a reaction grant half cover to yourself until the start of your next turn.

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Shortbow Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Dexterity or Constitution score by 1, to a maximum of 20.

Second Arrow. You may expend an extra arrow of ammunition to increase the damage of any attack you make with a shortbow by 1d6.

Hamstringing Shot. Shortbow's you wield gain the Slow Weapon Mastery. You may use any Weapon Mastery of any Shortbow you wield.

Disengaging Shot. As a Bonus Action you may fire an arrow from a shortbow you wield at a creature who you are within the reach of. This attack does not suffer the penalty for firing while in melee threat range. If this attack connects you gain the benefits of the disengage action and then move 10 feet.

Shortsword Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Precise Piercing. Shortswords you wield gain the Sap Weapon Mastery. You can always use the Weapon Mastery of any Shortsword you wield.

Testudo. Attacks you make with Shortswords deal an additional 1 point of piercing damage per point of Armor Class you have above 19. For example if you have 21 AC you deal an additional 2 points of damage with Shortsword attacks.

Close Quarters. You have advantage on opportunity attacks made with Shortswords.

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Sickle Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Constitution, or Dexterity score by 1, to a maximum of 20.

Sickle Skills. Sickles you wield gain the Finesse Property, and the Graze weapon Mastery. You may use all the Weapon Masteries of Sickles you wield.

Sickle Storm. Once per turn, you may replace one of your attacks with a Sickle with a Sickle Storm attack. For this attack roll one attack roll and apply it to all creatures within your reach, roll damage once and apply it to all creatures.

Sharpen Sickles. You may replace any attack with a Sickle with a Sharpen Sickles. When you Sharpen Sickles all Sickles you wield increase the damage they inflict by 2 slashing until the end of your next turn.

Sling Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase any Ability score by 1, to a maximum of 20.

The Bigger They Are. For every size category larger your target is than you, when making an attack with a sling the damage is increased by 1d6 bludgeoning. For example, if you are Small and the target is Large, the Sling will inflict an additional 2d6 damage.

Skirmishing. Once per turn when you make an attack with a Sling, you may as part of the attack take the Dash action.

High Impact. Slings you wield can be treated as clubs as long as they have a bullet loaded, they still are considered slings for the other parts of this feature. Slings you wield gain the Finesse trait and the Push weapon Mastery. You may use all the Weapon Masteries of Slings you wield.

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Spear Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Braced. Any creature that moves within your reach while you are wielding a spear, takes piercing damage equal to your Strength Modifier.

Extended Grip. Spears you wield gain the Reach property and their damage dice is increased to 1d8(1d10). You can always use the Weapon Mastery of any Spear you wield.

Warding Swing. While wielding a Spear you may, replace one of your Spear attacks each turn with a Warding Swing. Warding Swing is a normal Spear attack except it deals bludgeoning damage, and as part of the attack you may move 5 feet without provoking opportunity attacks.

Trident Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Ocean's Skewer. You gain a Swim Speed equal to your speed; while wielding a Trident this speed is further increased by 10 feet.

Sword Catcher. Your Proficiency bonus number of times per short rest, while wielding a trident, as a reaction, when attacked with a melee weapon, you may force the creature attacking you to make a Strength or Dexterity saving throw (your choice each time) (DC = Any Ability Modifier + 8 + Proficiency Bonus). If they fail this save their weapon is disarmed out of their hand in a location of your choice within 15 feet and if it was a mundane weapon it is broken in 2 pieces.

Tri-Point Technique. Tridents you wield change their damage dice to 3d4 and gain the Push Weapon Mastery. You may use the Weapon Mastery of any Trident you wield.

War Pick Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Can Opener. You may ignore up to 3 Armor Class when attacking with a War Pick, if that Armor Class is gained through natural armor or worn armor.

Hammer Back. You may choose to change all the damage delivered from a War Pick you wield into bludgeoning damage.

Blunt and Tear. If you deal bludgeoning damage to a creature, the next instance of piercing damage against that creature that turn gains 2d6 piercing damage. If you deal piercing damage to a creature, the next instance of bludgeoning damage against that creature that turn gains 2d6 bludgeoning damage.

Warhammer Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Cracking Open. Your Proficiency number of times per Short Rest, When making an attack with a Warhammer you may make a Cracking attack. A Cracking attack does the same damage as a normal attack, but if the target has 15 or more Armor Class then, their Armor Class is reduced by 4.

Putting Your Weight Behind it. When making attacks using a Warhammer you may increase the bludgeoning damage done by 1 for every 100lbs you weigh or your Constitution Modifier.

Breach and Clear. While wielding a Warhammer you have advantage on any checks made to open up any walls, door, chests, or otherwise similar things (Provided you accurately describe how the Warhammer is involved).

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Whip Mastery

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength or Dexterity score by 1, to a maximum of 20.

Continues Cracking. When you make an attack utilizing a whip, you may immediately make another attack using a different light weapon you are wielding. Attacks generated from this cannot generate further attacks.

Wrist Exercise. Whips you wield gain the Light property and Topple Weapon Mastery. You may use the Weapon Mastery of any Whips you wield.

Powerful and Thunderous. You may choose to change any damage caused by Whips you wield to Thunder or Force damage.

FIGHTING STYLE FEATS

Anvil of Thunder Style

General Feat (Prerequisite: Level 4+, Proficiency: Warhammer, Battleaxe)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Combined Assault. You may treat all Battleaxes and Warhammers as if they had the light property, and the Nick Weapon Mastery. You are always able to utilize all Weapon Mastery properties of any Warhammers and Battleaxes you use.

Shock and Awe. If you deal damage with both a Battleaxe and Warhammer to the same target on the same turn. That target cannot take reactions, bonus actions, and their speed is halved until the end of their next turn.

The Thunder. When you take the attack action you may replace one of your attacks with a Thunder Attack. You plant your axe and strike it with your hammer letting out a supernaturally powerful shockwave of sound that can easily be heard 100 feet away. All creatures in a 5-foot emanation centered on yourself must make a DC (8+Proficiency Bonus + Strength Modifier) Constitution saving throw, on a failure they suffer 3d6 thunder damage and are deafened until the end of your next turn. On a success they take half damage and are not deafened.

Bear Fang Style

General Feat (Prerequisite: Level 4+, Proficiency: Battleaxe or Handaxe)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Arm Strength. Battleaxes gain the light property while you wield them.

Close In. When you take the attack action while wielding either a battleaxe or handaxe in one hand, and a dagger in the other hand, if any attack deals damage you may initiate a special grapple. You do not need a free hand to maintain this grapple.

Closing Jaws. While maintaining a grapple while wielding a dagger and either a handaxe or battleaxe, all of your attacks utilizing such weapons against the target have advantage. In addition you deal 2 additional damage, per turn you have started maintaining the grapple, to the grappled target with all attacks involving a dagger, handaxe, or battleaxe.

Blowgun and Scimitar Style

General Feat (Prerequisite: Level 4+, Proficiency: Blowgun and Scimitar)

Ability Score Increase. Increase your Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Blasting Mask. You no longer need a hand to wield Blowguns and may wield them using only your mouth. Blowguns you wield no longer suffer disadvantage from firing while within 5 feet of an enemy.

Slashing and Piercing. For every 2 attacks you make with Scimitars on your turn, you may fire a blowgun you are wielding as part of the second scimitar attack.

Battle Lungs. You can now hold your breathe for twice as long as you normally can. Your Speed is increased by 5 feet. You may choose to inhale all gas in a 5ft square suffering disadvantage on any save that the gas may cause, but clearing out that space of the gas.

Greatclub and Dart Style

General Feat (Prerequisite: Level 4+, Proficiency: Greatclub and Dart)

Ability Score Increase. Increase Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Batter Up. While wielding a Greatclub you may make attacks with darts in your possession. Any Dart attacks you make while wielding a Greatclub has double its normal range, and increases their damage by 1d8 piercing.

Hammering The Nails. Attacks you make with a Greatclub deal 1 additional piercing damage for every dart attack you have hit the target with. Any creature may take an action to remove the darts on them to reset this damage increase.

Piercing Club. You may store your proficiency bonus number of darts in a Greatclub you are wielding. When you make an attack with a Greatclub you may choose to embed a dart into the target of the attack, increasing your Hammering The Nails count by 1. While there are any darts left in your Greatclub, your Greatclub attacks inflict 1d4 additional piercing damage. You may reload darts into your Greatclub as an action.

Hammer and Piton Style

General Feat (Prerequisite: Level 4+, Proficiency: Warhammer or Light Hammer)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Piton Precision. You can treat Pitons as daggers. You gain the ability to use any Weapon Mastery features of daggers you wield. Warhammers gain the light property while you wield them.

Secure Hold. As part of an attack that involves a Piton and Hammer type weapons, you may attach the Piton to the target securing yourself to the target. When the target moves while the Piton is secured to them in this fashion you may move the same distance they move, you may even occupy the same space as them. A target secured by a Piton can take an action to attempt a DC15 athletics check to remove the Piton.

Recover Pitons. When you take the attack action you may replace one of your attacks with a very hardy tug of your rope or chain attached to your pitons. This brings all your pitons back to you and rips them out of wherever they are. Each Piton that was ripped out of a creature deals 1d6+Strength Modifier of force damage to whatever creature they were

Hammer's Edge Style

General Feat (Prerequisite: Level 4+, Proficiency: Longsword, Warhammer)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Hammering Approach. You may treat all Longswords and Warhammers as if they had the light property, and the Nick Weapon Mastery. You are always able to utilize all Weapon Mastery properties of any Longsword and Warhammer you use.

Hammer and Anvil. If you deal damage with both a Longsword and Warhammer to the same creature on a turn, that creature is knocked prone.

Hammer the Blade. Once per turn when you take the attack action, and you are wielding a Warhammer and Longsword, you may replace one of your attacks with a Hammer the Blade attack. This attack deal the combined weapon damage of your Longsword and Warhammer in slashing damage that ignores any resistances. You only add your appropriate damage modifier to this attack once.

Hand Crossbow and Greatsword Style

General Feat (Prerequisite: Level 4+, Proficiency: Hand Crossbow and Greatsword)

Ability Score Increase. Increase your Strength, Dexterity or Constitution score by 1, to a maximum of 20.

Unexpected Punctuation. When you take the attack action and use only Greatsword attacks you may draw and fire a hand crossbow and then stow it after firing it.

Rappelling Shot. Utilizing your full movement you may fire a bolt with a rope or chain attached, out of your hand crossbow anchoring wherever it lands and pulling you quickly towards it. Doing this allows you to move 50 feet in a straight line, and you may stow your hand crossbow as part of this movement. If you travel the at least 30 feet because of this and then take the attack action with a Greatsword, the first attack you make with the Greatsword will inflict an additional 3d6 slashing damage. This movement does not trigger opportunity attacks.

The Second One. When you fire a Hand Crossbow, as part of that attack you may throw your Greatsword at the same target. For this attack your Greatsword gains a throw range equal to your Hand Crossbows range. You may not use this feature from the attack of Unexpected Punctuation.

Maul and Greataxe Style

General Feat (Prerequisite: Level 4+ , Proficiency: Greataxe and Maul)

Ability Score Increase. Increase your Strength or Constitution score by 1, to a maximum of 20.

Strained Grip. When wielding a Greataxe you may also use the hands that are wielding the Greataxe to wield a Maul. If you are subjected to an effect that would disarm you, you only are disarmed of one weapon you are wielding.

Densely Packed Strikes. Any attacks made by a Maul or Greataxe you wield have their damage increased by 2d6 and may inflict either bludgeoning or slashing damage, as long as you are wielding both a Greataxe and Maul.

Brutal Impact. Your proficiency number of times per Short Rest, you may replace one of your attacks while wielding both a Greataxe and Maul with a Brutal Impact. A Brutal Impact is a normal weapon attack that effects a 15ft by 15ft square, roll to hit and apply it against anything caught in the area, roll damage once and apply it to any creature hit by the attack.

Morningstar and Wand Style

General Feat (Prerequisite: Level 4+, Proficiency: Morningstar)

Ability Score Increase. Increase Any Ability score by 1, to a maximum of 20.

Magic/Martial Similarity. You gain Proficiency in Morningstars. You may cast the identify spell at will only targeting wands. You may use any Ability Modifier for attacks made with Morningstars while also wielding a wand.

Martial Wand. Whenever you activate a wand using your action, as part of that action you may make one attack utilizing a Morningstar you are wielding.

Derived Essence. Whenever you deal damage with a Wand you are wielding, a Morningstar you are wielding may gain 1d8 damage of the same type you dealt with the wand, until your next Short Rest. You may use this feature again to change the damage type of the 1d8, but further use will not increase the number of 1d8's rolled.

Shielded Axe Style

General Feat (Prerequisite: Level 4+, Proficiency: (Battleaxe or Handaxes), Shields.)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Secure Shielding. You may now wield a shield strapped to your arm while wielding either a battleaxe or handaxe in the hand of that same arm. This shield only provides half of its armor bonus rounded up.

Weighted Impact. Once per Shield you wield per turn, you may add the armor bonus from a shield you are wielding to the damage of a successfully landed attack made by you, utilizing a handaxe or battleaxe.

Balanced Axes. You may treat all Battleaxes and Handaxes as if they had the light property, and the Nick Weapon Mastery. You are always able to utilize all Weapon Mastery properties of any Handaxe and Battleaxe you use.

Spellrazor Style

General Feat (Prerequisite: Level 4+, Ability to Cast a Touch Cantrip)

Ability Score Increase. Increase one of your Ability scores by 1, to a maximum of 20.

Spark the Slicer. You may use a dagger as a spellcasting focus. When you attack with a dagger it deals an amount of additional damage equal to your proficiency bonus, the damage type is the same damage type as the last damaging spell you casted utilizing the dagger as the focus.

Slice and Spark. When you take the attack action, and make an attack utilizing a dagger, you may as part of that attack action cast 1 cantrip with a range of touch, targeting the same target as the attack with the dagger targeted.

Spark and Slice. When you cast a spell with a range greater than 10 feet, that does damage to at least one target, you may as part of that same action throw a dagger at one target effected by the spell. Make a normal ranged throwing attack utilizing a dagger for this.

Spinning Halberd Style

General Feat (Prerequisite: Level 4+, Proficiency: Halberd)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Blade,Spike,Hook,Butt. When you deal damage with a halberd you may choose which damage type it does between slashing, bludgeoning, and piercing.

Warding Reach. When you attack with a Halberd your AC increases by 2 until the start of your next turn.

Spinning Assailment. When you take the attack action with a Halberd you may perform one additional attack that does 1d4 bludgeoning damage instead of the normal damage of the halberd.

Three Mountains Style

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Nauseating Impacts. When you deal bludgeoning damage with a weapon or unarmed attack, you may cause the target to make a DC(8+Proficiency Bonus+(Strength or Dexterity Modifier)) Constitution saving throw. If the target fails, they gain the Poisoned condition until the end of your next turn.

Mountain's Ward. As a reaction you may expend a hit die to reduce any damage you take by the value rolled on the hit die.

Three Points. If you inflict 3 separate instances of bludgeoning damage to the same creature in a turn, until the beginning of your next turn you may as a reaction inflict (your proficiency bonus X your proficiency bonus) points of damage to the target as any of the following damage types: necrotic, psychic, or force.

Trident and Net Style

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Quick Net. Once per turn when you make an attack with a Trident, you may as part of the same attack use a Net you are wielding on the same target of the attack either before or after the Trident attack. If a creature would attack your net potentially destroying it you may use your reaction to retract your net to your hand, any action or attack that would have been used on the net, is still expended.

Flop the Fish. Any attacks made against a creature you have restrained increase their damage by 1d6. Any attacks made with a Trident you wield against a creature you have restrained increases their damage by 2d6.

Reinforced Restraining. The DC of Nets you wield is (8+Proficiency+Any Ability Modifier). The Athletics Check DC of freeing oneself from Nets you wield is (8+Proficiency+Any Ability Modifier). Nets you wield gain 20 HP and 5 Armor Class, for a total of 25HP and 15 AC.

FEATS FOR 5.5E

Nardo D&D @Youtube.com

Turtle Dart Style

General Feat (Prerequisite: Level 4+, Proficiency: Heavy Armor, Shield, Shortsword)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Slow and Steady. If you attack on a turn with your shortsword, and you are wielding a shield, and wearing heavy armor, you do not provoke opportunity attacks for the rest of that turn.

Readied Defense. When any creature enters your reach you may as a reaction make an attack against them using your shortsword. You can only use this reaction if you are also wearing heavy armor and wielding a shield.

Deadly Emplacement. You may reduce your Speed to 0 for the rest of your turn in order to increase the damage die of your shortsword to a D10, until the end of your turn. You cannot do this in a turn you moved more than 10 feet.

Weapon and Torch Style

General Feat (Prerequisite: Level 4+)

Ability Score Increase. Increase your Strength, Dexterity, or Constitution score by 1, to a maximum of 20.

Torch Training. When you wield a torch, that torch does 1d6 fire damage when used as a weapon, gains the light property, and gains the Nick Weapon Mastery. You have the ability to use the Weapon Mastery of any torch you use.

Blinding Light. If you deal damage to a creature with both a torch and another weapon in the same turn, you may inflict blindness on that creature until the end of your next turn.

Heated Steel. If you wield a torch and a weapon with a metal component that inflicts damage at the same time, you may add your proficiency bonus in fire damage to the non-torch weapon's damage.
